
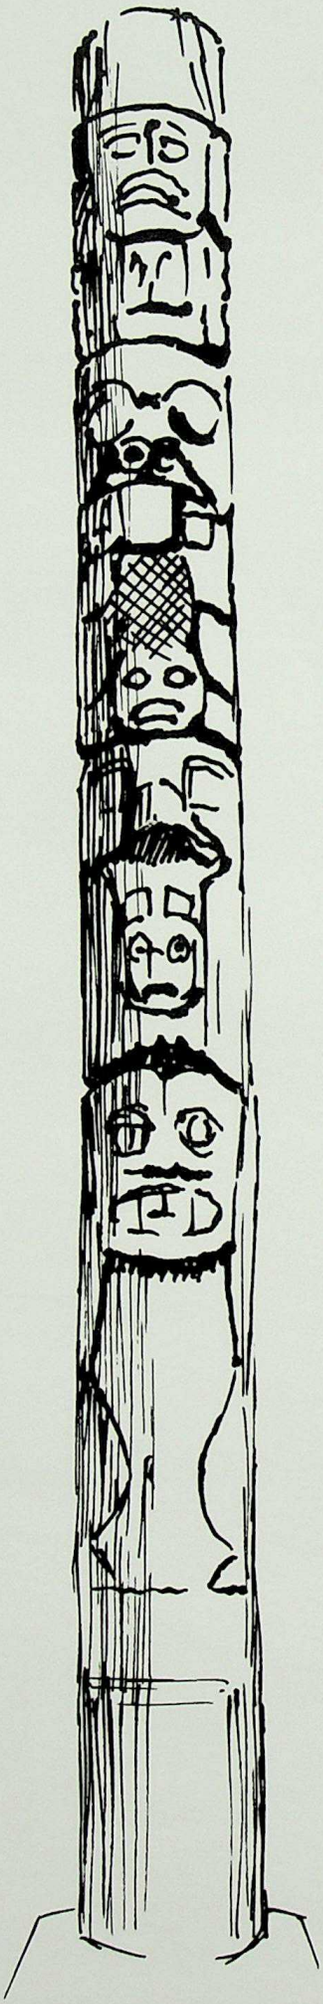
EDITH ROGERS ROYALS

1995-96



"FAREWELL WITH FOND MEMORIES"

Having shared the information of my departure with students and staff, I wish to take this opportunity to bid parents and community farewell. The excitement of a new challenge in a different setting is only offset by the regret of having to leave the friendly students, supportive parents and diligent staff at Edith Rogers Junior High. Beginning July, I will be gearing up to serve the students and staff at Hillcrest Junior High and in my place we welcome and introduce to you Mr. Lin Delainey, an experienced administrator from Parkdale Elementary/Junior High.

My experiences at Edith Rogers over the past four years will always be remembered. On the student achievement side, I am encouraged with our strong focus on academics; our continual improvement on standardized examinations; the emphasis on reading; the 'hands-on' approach to learning in science; the persistent push in mathematics competitions; the quest for computer assisted learning; the relentless pursuit of meaningful values and beliefs in social studies; the myriads of excellent art murals; the phenomenal increase in the number and quality of band students;the kinesthetic excitement in French; the number of drama students who have qualified for significant acting roles; the assistance provided special needs youngsters; and the pragmatics of home economics and industrial education. These are but a few of the staff initiatives which have highlighted four meaningful years at Edith Rogers Junior High.

Extracurricularly, fond reflections turn to experiences of jocularity tempered with pride: the intensity of competitiveness displayed by our sports teams as they challenged their adversaries; the look of elation when we reached the finals in Hi-Q competitions; the special ski trips to the mountains; the ingenuity of students as they prepared projects for the science competitions; the "golds" in the music festival; the romantic vibes radiated by our Candy-Grams on Valentines Day; and the the look of surprise when the huge green gravel truck pulled up for our fund raiser student car wash. The fun of it all!

And what of the memorable experiences and cherished reflections regarding awards, rewards and recognition? One will always remember the the Rogers Royal Recognition Reception for exceptional citizenship; the Tim Horton Doughnut celebrations for honor students and students with improved averages; the year-end honors field trips to Banff, Jasper and Drumheller; the merit and service banquets; and monthly prizes for perfect attendance and punctuality. These will remain as fond memories at Edith Rogers.

Through all of this, our enrolment increased in four years from 491 students to 627. Our budget became balanced. Congratulations staff, students and parents for having worked hard to actualize the Edith Rogers Mission of "high achievement in a safe and positive environment."

In closing and in departing, I would like to wish all students, parents and staff a beautiful fun-filled relaxing summer and best wishes to all in your endeavours.

Educationally Yours,
K.G. Oishi
Principal, 1992-1996

PRESIDENT'S MESSAGE

I WOULD LIKE TO EXTEND MY THANKS TO ALL THE STUDENTS COUNCIL MEMBERS FOR ALL THE TIME AND ENERGY PUT OUT THIS YEAR. WE HAD GREAT CHANGES; WITH NEW STUDENT COUNCIL ADVISORS. IT TOOK A BIT OF GETTING USED TO BUT I FEEL THAT OUR COUNCIL DID A GREAT JOB AND STILL ORGANIZED MANY ACTIVITIES. THESE INCLUDED THE TRADITIONAL WELCOME WEEK, THEME DAYS, AND MANY DANCES. WE HAVE ALSO STARTED AWARDING SPIRIT POINTS, HOPING TO RAISE MORE SCHOOL SPIRIT.

I WOULD LIKE TO THANK ALL THE STAFF WHO HELPED MAKE THIS ANOTHER SUCCESSFUL YEAR BY VOLUNTEERING THEIR TIME TO HELP OUR ACTIVITIES RUN SMOOTHLY

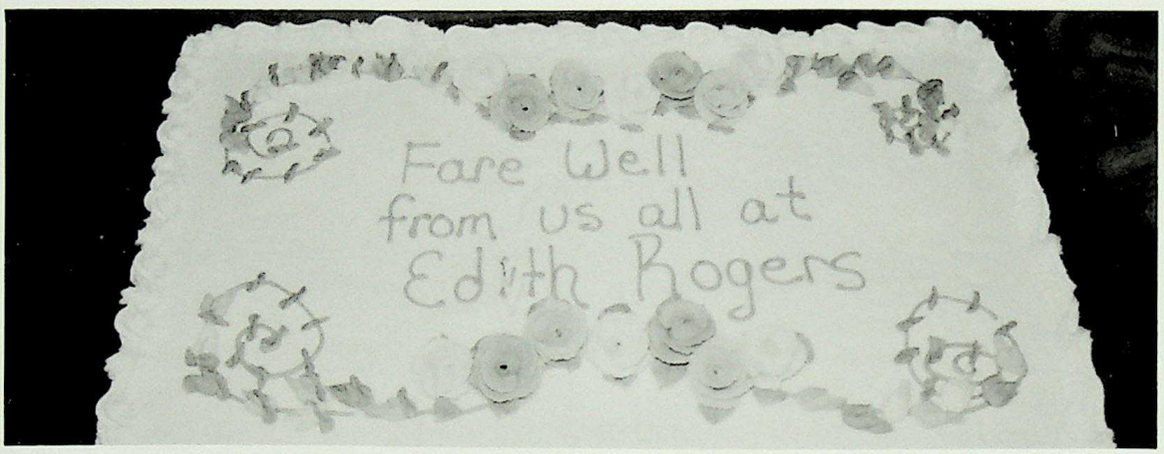
OUR THANKS ALSO TO NIKKI ANDERWALD FOR ALL HER EFFORT AND TIME AS AN EXECUTIVE MEMBER.

I WOULD LIKE TO WISH VIET NUGYEN, NEXT YEAR'S PRESIDENT, AND THE REST OF STUDENTS COUNCIL ALL THE BEST FOR NEXT YEAR.

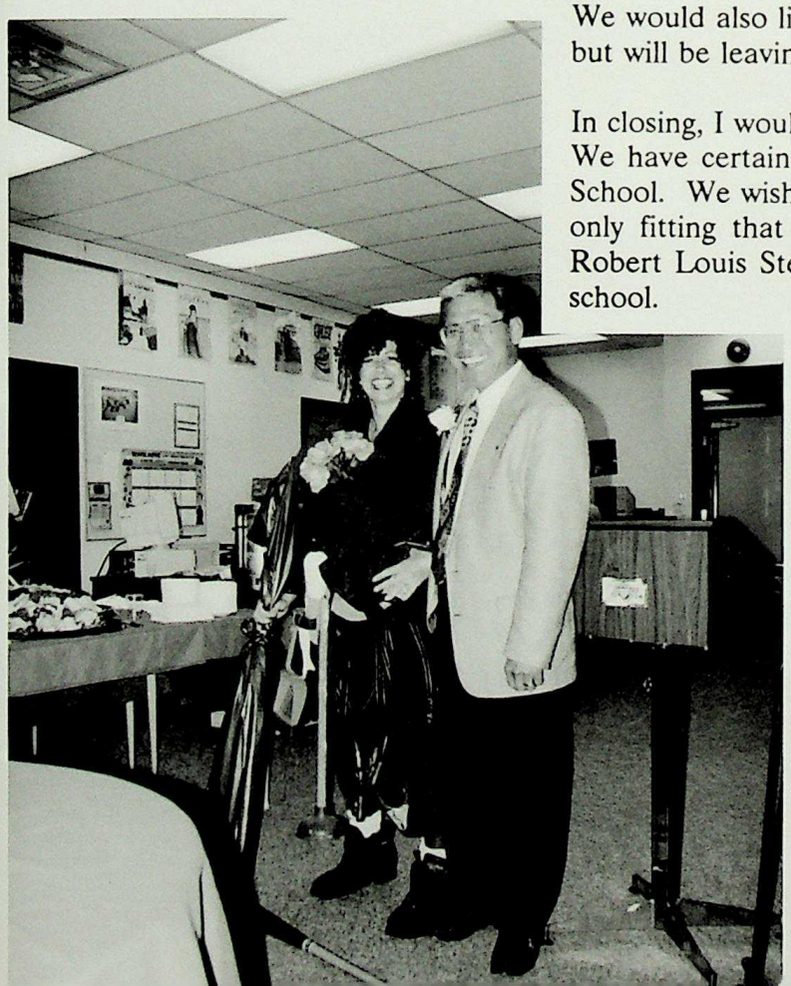
SARAH CARREIRO

We certainly would like to extend our congratulations and best wishes to Eric and Sylvia. Together they have served students for 63 years. If an average teacher sees about 300 students per year, they have touched the lives of around nineteen thousand students.

We would like to thank you for your contribution to our students and our profession. It is my hope and wish that both of you will enjoy many years of retirement in good health and happiness.



It seems it's been forever
Since the first time that we met,
We've shared some days together
That we just cannot forget.
There was work and there was laughter;
There were tears and triumphs, too;
Successes and disasters,
But somehow we came through.
Yes, we worked to make things last,
And yes, we had to strive;
But, God, our blood ran hot and fast,
And, God, we felt alive!
It's those moments we'll rely on;
They bespeak the way we feel,
For we started out as iron,
But we ended up as steel.
And now in days that yet will dawn,
Although we'll be apart,
Those memories, we know, will spawn
A smile in our hearts.
Now take our wishes with you
For Blessings from Above;
For happiness in all you do;
But most of all - for Love.



We would also like to acknowledge another staff member who is not retiring but will be leaving after leading our school for four years as principal.

In closing, I would like to thank Gil for all his efforts on behalf of our school. We have certainly benefited from and appreciated his stay at Edith Rogers School. We wish him the very best in his new principalship at Hillcrest. It is only fitting that we conclude with my favourite quote on achievement by Robert Louis Stevenson that speaks directly to Gil's leadership here at our school.

That man is a success who has lived well,
laughed often and loved much;
who has gained the respect of intelligent men
and the love of children;
who has filled his niche and accomplished his task;
who leaves the world better than he found it;
whether by an improved poppy,
a perfect poem or a rescued soul;
who never lacked appreciation of earth's beauty
or failed to express it;
who looked for the best in others and gave the best he had.

Gil, once again, thank you and good luck and success in your future endeavours at Hillcrest.

SKIN, A WONDERFUL DRAMA BY CANADIAN PLAYWRIGHT DENNIS FOON, WAS PRESENTED ON FEBRUARY 26, 27 AND 28. TWENTY THREE TALENTED ACTORS AND DILIGENT TECHNICIANS TRAVELLED TO FIVE ELEMENTARY SCHOOLS PRESENTING THIS POWERFUL WORK. THE PLAY WAS A COLLAGE OF TRUE-LIFE STORIES TOLD BY A RACIALLY MIXED CAST OF CHARACTERS. FOON REVEALS THROUGH EACH TALE THE SUBTLE YET DEVASTATING FORMS OF RACISM TO BE FOUND IN EVERY CANADIAN CITY.

OUR THEATRE SPORTS TROUPE WAS ALSO ACTIVE THIS YEAR, MEETING EVERY TUESDAY FOR PRACTICES, AND PERFORMING FOR AN APPRECIATIVE AUDIENCE AT OUR SPRING OPEN HOUSE. A TRIP TO RAPID FIRE THEATRE IN OLD STRATHCONA ENDED OFF THE YEAR WITH A BANG.

VALEDICTORIAN SPEECH

Mr. Oishi, Teachers, parents, honored guests, and fellow students. A stepping stone, a turning point, or a stage of development in life. You could call our experience at Edith Rogers any one of these things, but the fact is tonight we will be saying good-bye to a place that has given us three years of lasting memories. Though in the last few weeks we became more excited about moving on, now that the evening has come we are unsure about how badly we want to leave. To many of us, this school holds times of confusion, and even utter chaos, but ten years from now, we will look back on them as some of the best days of our lives. The memories will be forever with us.

We are uncertain as to what the future holds. But,whatever we choose, wherever we find ourselves in years to come, we owe a debt of thanks to Edith Rogers staff, our loving parents, and of course our friends.

Most of us walked in here in September of 1993 not fully aware of what we were up against, scared at first of the little things: where's the bathroom? what if I can't get my locker open? what if I get trampled in the hallway?
Things which now seem minute in comparison to the actual challenges we faced. "ACHEIVE, ACHEIVE, ACHEIVE." If it weren't for the things like Mrs. Bilton's titilating smile, Mrs. Oswin's forever calm aura, Mr. Oishi's pursuit of excellence, and the occassional giggle we got out of Mr. Murphy's legs, we would not likely have made it as far as we have. We thank every staff member here at Edith Rogers for making it a place we will always remember with a smile.

To our parents, through our times of anger and frustration you never let us down. You were there one hundred and fifty percent of the time, supporting our efforts completely. Maybe not fully understanding the teen-agers we had become, but never once giving up on us. We could not have come this far without you. Your guidance has helped immensely. Thank- you.

Last, but by no means least, we want to show appreciation to our true friends. Whether they were a shoulder to cry on or a group of people to become insanely hyper with, they were there every stretch of the way. We may never meet again, but will always be linked, in some way, through the times we shared.

We leave for High School today, entering a world in desperate need of people who care. We face difficult times plagued by violence, corruption, poverty, and sickness. But, the experiences we had at Edith Rogers have prepared us to face them with wisdom and maturity. We have grown.... And for that, we thank you all.

Good-Bye and Good-luck.
